

CERTIFICATE

Deutsche Zertifizierungsstelle Öko-Tex
der Internationalen Gemeinschaft für Forschung
und Prüfung auf dem Gebiet der Textilökologie
Frankfurter Straße 10-14 65760 Eschborn

The company

MADEIRA Garnfabrik

Rudolf Schmidt KG

Zinkmattenstraße 38

79108 Freiburg

is granted authorization according to Oeko-Tex Standard 100 to use the
Oeko-Tex mark, based on our **test report 08.0.61791**

for the following articles:

Yarns for machine embroidery (effect yarns) in selected shades, made of metallised polyester blended with polyester, polyamide and/or viscose; trade names FS, SUPERTWIST, HEAVY-METAL, LAME, JABARA, NORA and GLAMOUR.

The results of the inspection made according to Oeko-Tex Standard 100, **product class II** have shown that the above mentioned goods meet the human-ecological requirements of the standard presently established for products with direct contact to skin.

The certified articles fulfil the requirements of the existing European legislation regarding the use of azo-dyes.

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the Oeko-Tex mark only in conjunction with products that conform with the sample initially tested.

This authorisation is valid until 30.09.2009
